Store Feeds

How to Publish Products in ShoppyDoo Automatic Capture

1) Access the Control Panel

2) After login click on Store Feeds

3) In the ShoppyDoo line click to generate the ShoppyDoo feed file. Save the file or xml link to your computer.

4) Send email to productos@shoppydoo.com and request the registration of the products of the virtual store through xml feed.
The products will be released for 5 months free with no limit on products or clicks.
In hypothesis there will be retroactive or automatic collection.
