

Settings

How to enable / disable the sticky header?

Sticky header: It is a feature to make the header visible when the scroll scrolls down.

01) Access the Control Panel

02) After login click on Layout

03) Edit the Active Layout in Options >> Edit

04) In the Topo (Header) box, edit the lines:

Fix Header: true = Enable or false = Disable

Fix Header Height: Set a height (numbers only)

Background Color Fix Header: Set a color

Note: You can manage it through the Control Panel >> Configuration >> Boxes or Color

Unique solution ID: #2558
