

# How to export data from multiple orders from virtual store to Tiny ERP for NFe issue?

After setting up the Tiny ERP API follow the instructions below.

01) Access the Control Panel

02) After login click Clients >> Orders >> Select Orders

At the bottom of the screen select the option Export to Tiny ERP

Automatically will be exported data from multiple orders from your virtual store to the Tiny ERP for NFe issue

Note: If an error occurs, click on the EDIT button of the Request to correct the fields according to the requirements of Tiny ERP
