How to Manage multiple products in the virtual store and Buscape Marketplace?

After configuring the Buscapé Marketplace in the Control Panel >> Settings >> Buscapé Marketplace

01) Access the Control Panel

02) After login click on Catalog >> Buscapé Marketplace

03) After connecting the application to Buscapé Marketplace, click on:

Manage multiple products in the virtual store and Buscapé Marketplace

04) After Select Category / Sub-Category

In the checkbox next to the product select the products you want to edit or update, scroll down to the bottom of the page.

Select Marketplace Busy

Select Add to Marketplace Buscapé YES or NO to disable Buscapé Marketplace

After clicking the Confirm button
