

How to set up to automatically open pop up div on the homepage?

01) Access the Control Panel

02) After login click Configuration >> Banners

03) On the Display Popup Index Page on First Visit >> Options >> Edit

04) Choose an option and click on the Update button

Note: If you configure the banner option, the management must be performed by the Control Panel >> Layout >> Banners

Unique solution ID: #2372
