

How do I activate / deactivate multiple listings of sellers at a time from the Marketplace?

01) Access the Control Panel

02) After login click on Clients

03) In Filters you can select Marketplace Status, and wait for loading

04) Click one by one on the customer line to select the checkbox or click select all

05) Scroll down the screen Select Status, Group (Always Seller or Marketplace), Marketplace Status, Marketplace API Status and Email Template. After clicking Send Email
