

How will the customer be able to import the products where to buy?

01) On your website click on My Account

02) After logging in click on Where to Buy >> Upload Products Where to Buy

03) The customer needs to download the example file in CSV format

04) In the field or Enter your File Feed URL enter the URL of the file. Example:
<https://shop.mformula.info/feeds/b2bcpwheretobuy.csv>

05) Click Continue to import

Note: Import and update will occur once a day, every time you access the control panel.
