

Non-compliance

Your service will be suspended after expiration. The reactivation will be done by confirming the payment, made automatically by the bank in one (1) business day.

For immediate reactivation, send the proof of payment by email info@mformula.net, informing the domain or user.

After the due date, within 7 days if payment is not proven the service will be disabled.

After 30 days if you do not request reactivation, the files and database can be deleted.
