

How to set up and install the Santander Banking Ticket Form?

1st Step

Request the bank bill for your virtual store directly with the manager of your agency of Banco Santander

2nd Step

After obtaining confirmation of the ticket

Access the control panel of your store

After login click Modules >> Payment >> Select Boleto Banco Santander or MODULE_PAYMENT_BOLETOBANCETOANTANDER >> Click the INSTALL / EDIT button

Fill in the fields and click the UPDATE button

* Portfolio = Recommended with identification so that you can verify in the report by the order number to confirm payment
