

How to set up and install the Banco do Brasil Banking Ticket Form?

1st Step

Request the bank bill for your virtual store directly with the manager of your branch of Banco do Brasil

2nd Step

After obtaining confirmation of the ticket

Access the control panel of your store

After login click Modules >> Payment >> Select Boleto Banco do Brasil or

MODULE_PAYMENT_BOLETOBRASIL >> Click the INSTALL / EDIT button

Fill in the fields and click the UPDATE button

* Portfolio = Recommended with identification so that you can verify in the report by the order number to confirm payment

If you are interested in BB OnLine Electronic Commerce has additional cost, check the additional services on the website of mformula in the plans and services of Virtual Store - Electronic Commerce.
