

Mercado Libre

How to edit / activate / deactivate MercadoLivre template?

01) Access the Control Panel

02) After login click on Catalog >> MercadoLivre

03) After clicking Layout Mercado Livre

04) In the desired template in the line click the green ball to Activate

05) After clicking on EDIT

06) In the Top Description field enter the logo of your business

07) After clicking the UPDATE button

Automatically the template will be inserted in the description when publishing or exporting products to the MercadoLivre
