Bling

How to export data from virtual store request to Bling for NFe issue?

After setting up the Bling API follow the instructions below.

01) Access the Control Panel

02) After login click Clients >> Orders >> Click on the Order >> Click the Export Bling button

Automatically will be exported the data of your order from your virtual store to the Bling for NFe issuance

Note: If an error occurs, click on the EDIT button of the Request to correct the fields according to the requirements of the Bling
