Tiny ERP

How to import multiple products from your virtual store to Tiny ERP?

After setting up the Tiny ERP API follow the instructions below.

01) Access the Control Panel

02) After login click on Catalog >> Multiple Product Administration >> Tiny ERP >> Multi Product Management

03) Select the multiple products that you want to import to Tiny ERP, at the bottom of the page select this option to Add / Edit the product of your virtual store in Tiny ERP. After clicking the Confirm button
