Tiny ERP

How to export data from virtual store order to Tiny ERP for NFe issue?

After setting up the Tiny ERP API follow the instructions below.

01) Access the Control Panel

02) After login click on Customers >> Orders >> Click on the Order >> Click the Export button Tiny ERP

Automatically will be exported the data of the request of its virtual store for the Tiny ERP for emission of NFe

Note: If an error occurs, click on the EDIT button of the Request to correct the fields according to the requirements of Tiny ERP
