How do I activate the Where to Buy feature?

01) Access the Control Panel

02) After logging in click on Settings >> Product Listing

03) In the Display button where to buy in product page line, click Options > Edit

true = enable
false = disable

04) Access Customers >> Customers Groups

05) In the group row, click Options > Edit

06) In the field URL Feed Customer Products Where to Buy, select Yes and click Update
