LUXJOIAS

Import by API file LUXJOIAS New Products or Upgrade / Synchronization of Large-Scale Product Inventory

01) Create your DROPSHIPPING account at LUXJOIAS, for more information, visit: http://www.luxjoias.com/dropshipping-revenda-i-47.html

After approval, copy the catalog link in XML format

02) After accessing the Control Panel

03) After login click on Catalog> Import and Update Product Feeds

04) Click Insert, fill in the fields:

Feed Name: XML

Provider: XML (Add new case not listed)

URL or File: URL

URL: Paste xml url

Percentage to increase in price: Define the percentage of profit on the price of the product

Currency of Feed: Real Brasil - BRL

Status: Active

Status of Products on Import: Active

05) After clicking the Insert button

06) To import the products and synchronize the stock click on the Load Feed link (Recommended click once not to overload the server, if you overload the server your account is subject to suspension or blocking, it is recommended to hire a dedicated server, vps or cloud). To update stock, click the Load Feed link. Update the stock once a week or once a day at less access times, between 10pm and 6am.

07) The products will be imported into the Categories and Sub Categories described in the LUXJOIAS feed.
