# Cnova Marketplace

## How to Manage multiple products in the virtual store and the Cnova Marketplace?

After setting up the Cnova Marketplace in the Control Panel >> Settings >> Cnova

01) Access the Control Panel

02) After login click on Catalog >> Cnova

03) After connecting the application to Cnova, click on:

Manage multiple products in the virtual store and Cnova Marketplace

04) After Select Category / Sub-Category

In the checkbox next to the product select the products you want to edit or update, scroll down to the bottom of the page.

Select Cnova Marketplace

Select Add to Cnova Marketplace YES or NO to disable from Cnova Marketplace

After clicking the Confirm button
