Wish

How to relate Wish products to the online store? How to Import Wish Products to Virtual Store? How to Manage Wish Products?

After setting Wish in the Control Panel >> Settings >> Wish

01) Access the Control Panel

02) After login click on Catalog >> Wish

03) After connecting the application to Wish, click:

Link Wish products to the online store
Import Wish Products to Virtual Store
Manage Wish products

04) How to relate Wish products to the online store?

Select the checkbox next to the product and select the product to relate, scroll down to the bottom of the page, after selecting Relate selected products, click on the CONFIRM button

05) How to import products from Wish to virtual store?

Select the checkbox next to the product, scroll down to the bottom of the page, select Import products to, select the category / subcategory, then click on the CONFIRM button

06) How to Manage Wish products?

Select the checkbox next to the product, scroll down to the bottom of the page, select Your ad expired in Free Market, would you like to re-list? Only select ads that have expired, click the CONFIRM button
