Payment

How to install and set up direct Ethereum payment to your Wallet or Address?

01) Access the Control Panel

02) After logging in click on Modules >> Payment

03) Select the Ethereum Address option

04) After clicking on the INSTALL button

05) After clicking on EDIT to configure

06) In the Your ETH Address field, fill in your Wallet address

In the picture of the QR Code field, upload the QR Code of your Wallet address

07) After clicking on Update
