Payment

How to configure and install the Bradesco Banking Ticket Form?

1st Step
Request the bank bill for your virtual store directly with the manager of your branch of Banco Bradesco

2nd Step
After obtaining confirmation of the ticket
Access the control panel of your store
After login click Modules >> Payment >> Select Boleto Banco Bradesco or MODULE_PAYMENT_BOLETOBRADESCO >> Click the INSTALL / EDIT button
Fill in the fields and click the UPDATE button

* Portfolio = Recommended with identification so that you can verify in the report by the order number to confirm payment

If you are interested in Bradesconet has additional cost, check the additional services on the website of mformula in the plans and services of Loja Virtual - Comércio Eletrônico.
