

# Payment

## How to install and configure the payment module Payment Clear MercadoPago?

Before installing and configuring, you need to request activation and homologation to Mercado Pago, access: <https://www.mercadopago.com.br/developers/pt/solutions/payments/custom-checkout/appliance-requirements/>

If you have any questions, please contact the paid market support directly:  
<https://www.mercadopago.com.br/ajuda>

01) Access the Control Panel

02) After login click Modules >> Payment >> MercadoPago Transparent

03) Click the INSTALL button, then click CONFIGURE

04) Fill in the fields:

Public Key

Access Token

After clicking on the UPDATE button

Unique solution ID: #1934
